Academic Information

Education System

Class format is based on lectures, readings, class participation and self-study. Students are expected to attend all lectures, to complete all course-related assignments and readings, and to take exams in order to receive a course grade.

- The academic semester has 16 weeks of class; however, some courses are taught in an 8-week period.
- 1 credit equals 48 hours of course work (in and out of class). It is important to remember that the ratio of classroom work to individual work is 1:3 for master's students and 1:2 for undergraduate students.

Recommended Workload

Students must register for a minimum of 3 credits and a maximum of 20 credits. They must adhere to the minimum credit requirements set by their home university.

Grading System

Excellent 4.50 – 5.0
Good 4.00 – 4.49
Satisfactory 3.50 – 3.99
Sufficient 3.00 – 3.49
Insufficient 1.50 – 2.99

Pass and Fail (P - F)

These grades apply for the courses that, based on determination by the Academic Council, receive non-numeric grades. The credits for courses that are passed count as graduation requirements, but they will not be taken into consideration in the calculation of semester average. (Art 55 reglamento Estudiantes de Pregrado).

- This permit is valid for 90 days and must be renewed at Migración Colombia for an additional 90 days.
- For stays longer than 180 days, a student visa is required.

For students whose nationality requires a tourist visa:

- Regardless of the length of stay, a visa needs to be obtained prior to arriving in Colombia. Further information: <https://bit.ly/2AsD6ug>
- When arriving on a visa, students are required to obtain an ID card (Cédula de Extranjería) within 15 days of arrival in Colombia. This procedure costs approximately \$90 USD. All information about this process can be found here <https://bit.ly/3wAxsq1>

Please remember to check the entry requirements for Colombia in advance. You can verify them with the Colombian Ministry of Foreign Affairs, "Migración Colombia," or with the airline you will be using to travel to Colombia.
